ACERCA DE NOSOTROS

En Nova Rock Drill, con más de 15 años de experiencia, somos una empresa profesional y especializada en fabricación y exportación de piezas de alto valor para equipos de perforación superficial y subterránea de las principales marcas del mercado:

Epiroc / Atlas Copco

Sandvik / Tamrock

Montabert

Furukawa

Ingersoll Rand

No solo fabricamos repuestos alternativos, fabricamos precisión, ya que nuestras piezas son copias exactas de los repuestos originales, elaboradas bajo estrictos estándares de calidad y con ingeniería de alta precisión, ofreciendo un rendimiento idéntico al de la pieza original, con compatibilidad total, durabilidad y confiabilidad en cada aplicación.

Ofrecemos las mismas garantías que las marcas originales también dando un soporte continuo y realizando envíos rápidos y seguros a nivel global, todo esto con precios competitivos sin sacrificar calidad.
